ABOUT THE PROJECT

WAFRICA

Lowana has been working with WAFRICA and their Intercultural Program for more than 7 years. Our volunteers create and deliver a fun and educational summer holiday program for the community youth, including sports and craft activities for primary school children and leadership, career and personal development workshops for teenage girls.

The Leisure Company

Lowana has recently linked up with The Leisure Company in fun and meaningful encounters with people with disabilities. Our volunteers learn how to participate in their everyday activities and engage in open conversation.

For more info about the project please contact
Nicole Marron at 0425 682 281 or email wagga@lowana.org.au
