All.u.re Women aims to encourage women to value authenticity and unique beauty through the promotion of the dignity of every woman. All.u.re Women offers interactive workshops in areas such as beauty, fashion, personal style and friendships. Their talks are run by a group of young women and mothers based in Sydney, Australia. Simply Home Essentials (SHE) is an initiative run for women, by women. It promotes professionalism in the home; fostering the dignity of individuals and creating an environment where families can flourish.
