

LOWANA

where leaders are made

help us grow!

Since 2010, Lowana Study Center has been helping women of all ages to achieve their full potential. Lowana has already enriched the lives of hundreds of women and together we will reach hundreds more!

That's why we're raising money to build a new centre to cater for the many that we welcome.

why should i help?

Lowana serves Penrith and the wider Western Sydney community by equipping its young girls and women with the skills to be the leaders of today and tomorrow. Your help is needed to ensure that programs such as guided study sessions; practical skills workshops for primary to uni aged students; talks on social and professional matters for young adults; volunteer community service projects and spiritual activities continue to be accessed and delivered. Through these programs, many lives have been transformed and so has the wider community. Your gift today not only will go towards building a bigger and better Lowana but you will be building better daughters, better sisters, better mums and better friends.

how will my donation help?

Lowana depends on the donations of individuals, families and businesses to fund its running costs and the expansion of our current centre.

Together, we can build a place that has:

- A **library** and **study area** for our students to study better
- **Meeting rooms** for us to learn more through workshops and community based volunteering
- Adequate **parking** to make it more accessible
- **Indoor and outdoor recreation areas** for us to have fun and grow deeper relationships with each other.

Your donation will help us reach our vision of a **purpose-built centre** to accommodate for all of this, so that we can continue to help others and each other reach their full potential.
